

CONSULTATION ON FUTURE CHURCH SERVICES.

We would like to ask for your views on the present number and time of regular Sunday services offered by both churches and what services you would like to see in future. At the moment during the present phased route out of lockdown, we have one live communion service at 11 am each Sunday, alternating between both churches and including a family friendly Eucharist service on the first Sunday of the month.

This pattern will continue until September when we hope we can hold unrestricted services. Given that we have limited resources, the principal one being that Anna is only part time, we are interested to hear what services you would like offered in the post Covid world.

We would really value your views on what you want for your church. Please reply by completing this simple questionnaire and place it in the box provided in the church, or emailing directly to the Rector's email address of rectorbetchworthandbuckland@gmail.com

Thank you.

Anna and the Churchwardens.

QUESTIONNAIRE

1 Should the alternating nature of the main service continue - given that we are a United Benefice – Is 11am convenient or should the time change?

Please continue overleaf.

2 Are there other services which you have attended that you would like to see introduced or re-introduced?

3 Any other comments and suggestions that would help us plan for the community which the churches serve.
